And the only way to ensure a good night's sleep is to make your bed the most comfortable it can be. The choice of bedding plays an important role in your sleep cycle. King size bed sheets cotton will help you sleep peacefully for 7-8 hours. King Size Bed Sheets Coton: What Makes People Choose Them? Cotton is the most preferred fabric worldwide, and it has been used for thousands of years to make beddings, clothing, etc. This natural fibre is breathable and absorbs heat, providing the ultimate comfort. Cotton's breathability is one of the main things that makes it the most preferred choice of bedding. Plus, it is durable – and you can wash it multiple times without worrying about damage. Benefits of Using Cotton Bed Sheets As mentioned earlier, cotton is a durable and breathable natural fabric. Plus, there are many health benefits of using cotton bed sheets. Since cotton bed sheets are light, soft, and breathable, you will fall asleep faster. Opt for light-coloured or floral patterned cotton bed sheets to keep yourself cool during summers. Most bed sheets need to be washed every 7-15 days as they are prone to becoming houses for bugs. Washing bed sheets are a must, but most bed sheets tend to lose their shape and colour after several washes. Luckily, you will not have to worry about that with king size bed sheets cotton. You can wash your cotton bed sheet as much as you want. The bed sheet will not lose its shape and colour. Also, cotton bed sheets dry much quicker, so you will not have to wait for hours for your bedsheet to dry. And you will also be away from bed bugs and the painful sore they cause. Even if you might not think it, the colour or the comfort levels of your bed sheets have a direct effect on your mood as well. Being the space where the adults in the house sit down and relax after working hard all day at the office, the constituents of a room occupy major importance. Hence, your bed linen should be in sync as well. Kingsize bed sheets are also evaluated in terms of thread count or TC. Another variable used is GSM. These variables come in numbers and define the fineness or the coarseness of the sheet. They also come in various materials and designs. Materials such as cotton, polyester, polycotton, satin and silk make great bed sheets. Each material possesses a distinct advantage and characteristic. For example, cotton sheets are light and easy to maintain. Brands Some of the major brands that Snapdeal's online shopping site plays home to include the likes of Bombay Dyeing, Welspun, Vimal etc. Designs are available in Abstract, Animal, Checks, Solids and Polkas. Polyester sheets generally have geometric designs.
